It is confidently hoped that the friends | wail of an impoverished people. of a Constitutional Union and civil liberty will be active in the effort to make the Convention the largest and most respectable that ever assembled in the State.

Let the Conservative people in every county of the State, where meetings have not been held, held meetings at once, pass appropriate resolutions, appoint delegates and see that they attend the Convention. The condition of public affairs demands the patriotic effort and co-operation of every the conclusion of the installation ceremogood citizen, to save the country from impending danger.

R. C. BADGER,

January 4th, A. D. 1868

REV. T. H. PRITCHARD. - At a meeting of the congregation of the Baptist Church, on Friday evening last, Rev. T. H. Pritchard, Pastor of the First Baptist Church of Petersburg, was invited to the pastorate of the Church in this city. We learn, also, Mr. P. has been called to the Church in Wilmington. Whether he will accept either, and, if so, which, is not known. His former acceptableness as a Minister, in this city, leads to the earnest hope that he

ber, a man who called himself J. P. Bigler, and who represented himself as a nephew of Gov. Bigler, of Pennsylvania, and Gov. Seymour, of New York, and produced gain for the Patriot and its machinery and type, on condition that he paid a certain in the same until the payment was made. After having contracted a debt with the house of Brenizer, Kellogg & Co., the said Bigler left without having made any payment for the Patriot or having acquired any property or interest therein.

Under the erroneous impression that the said Bigler had some interest in the Patriot and its materials, which was the subject of a seizure and sale, the aforesaid firm of Brenizer, Kellogg & Co. sued out an attachment against the said Bigler & Co., and the same upon the Patriot office, its type materials and fixtures, and the door of the office has been closed by the Sheriff, by which the publication of the Patriot will have to be suspended for a season, until the above named case can be adjudicated at Occupations of Men Prominent in the Con- changed to a red bar is the part, too, most to enjoy "the feast of reason and flow of

circumstance, and to hope they will exercise a little patience, as this difficulty will soon be removed and the publication of the paper resumed.

CHAPEL HILL AGRICULTURAL SOCIETY.-Chapel Hill, January 3, 1868.—Messrs. Editors :- The First Annual Festival of the Chapel Hill Agricultural Society was held in this village on the 28th ult. The attendance was large and a deep interest, we thought manifested in the subject. Hon. W. H. Battle delivered the regular annual address before the society. Of the character of this production it is but necessary to say that the expectation of the public was raised very high, and their anticipations fully realized.

The delivered the regular annual is located so far up on the day that gave birth to the person account of spring frost, it is said to be above the region subject to spring frost, it is said to be above the frost line. Orchards so located never the frost line. Orchards so located never fail to bear full crops on account of spring frost, it is said to be above the frost line. Orchards so located never fail to bear full crops on account of spring frost, it is said to be above the frost line. Orchards so located never fail to bear full crops on account of spring frost, it is said to be above the frost line. Orchards so located never fail to bear full crops on account of spring to foretell the speedy success of the young the Union, disfrauchising white voters and fully realized.

The Committee on Grasses made a pretty lengthy report,—deviating in some respects buds by winter killing, though this is unfrom the regularly received opinions. One of the great objects to be aimed at in these Societies is, we think, to elicit original thoughts and new and improved methods of agriculture in the place of the old routine

and cast, ordered from Louisville, Ky., was the captain and purser of the steamer, Mr. tried before the society, and a large as- Davis and wife visited the Place of Isabel semblage of farmers from the surround- II., and entering the Hotel Inglaterra, went ing country. are rather above the market for large lots .-Eice. - Clean is in fair stock, and only a retail demand. We quote Carolina at 91@101 cents & Ib., Tar, 7 bbl.0 00 @ 1 80 as in quantity and quality. HAY-Is in fair stock, and the market rules Pitch, City 2 75 62 3 00 steady. Only one lot of 50 bales Northern re-Rosin, pale 0 00 @ 3 25 ceived for the week and sold from wharf at \$1 30 do No. 1..2 50 @ 3 00 do No. 2.,2 121@ 2 25 I me-The market is moderately supplied with

former arrivals, and we report merely a local demand. Selling from store at \$1 80@\$1 90 @ cask, in quantities to suit. Molasses-A cargo of 319 hbds, and 40 tierces new crop was received on Wednesday direct from Cardenas, and is now landing; it has not yet been put on market, and we are therefore unable to

PEA NUTS-Have been in fair enquiry for shipment during the week, and prices are rather bet ter than quoted in our last. The arrivals have been very light, and we quote sales from carts at prices ranging from \$2 to \$2 40 for inferior and ordinary, and \$2 50@\$2 60 \$2 bushel for prime and extra quality.

POTATOES-No arrivals, and the stock of Irish has become pretty much worked or. There is a fair demand for planting purposes, and none on market. We quote nominally at \$5@\$5 50 @ bbl. Sweet are in light supply, and sell readily at 90 cents @ \$1 @ bushei

POULTRY-Is in moderate supply, and sells as follows: Live Fowls 25@35 cents, dressed do. 30@ 374 cents each; live turkeys \$1 25@\$1 50 each; dressed do. 18@20 cents # 15.

Provisions .- For Bacon the market continues to rule without change. The supply of N. C. cured is very light, but sufficient for present limited domand-a few lots of new have been prought in during the week, and sold from carts at 17@18 cents for hog round, and 19@20 cents # t. for hams;—these figures are rather above the market, and could hardly be obtained for lots of any size. The market is moderately supplied with Western, and little or no demand exists. No sales of moment have been effected, and we quote from store at 121@13 cents for shoulders, 15 cents for sides, and 18@19 cents # lb. for hams. LARD .- The market is almost or quite bare of North Carolina, and we report a moderate enquiry from retailers; would sell at 17@18 cents .-There is a moderate supply of Northern, and only a small business doing from store at 13@151 cents # lb. --- Pork. Only a retail enquiry for Northern, and the market is moderately supplied. See table for store rates. LEESH has been selling from carts at prices ranging from 10 to 12½ cents 🔀

b, as in quality. SALT-Is in moderate supply, and the demand has been somewhat checked. We continue to quote in the small way at \$2@\$2 10 for American, and \$2 20@\$2 30 W sack for Liverpool ground A cargo of 4,600 sacks was received direc from liverpool a day or two since, but it has been nearly all olaced in bond, and is therefore out of market tor SHINGLES .- No demand, and it is almost impos-

sible to effect sales of even small lots. We quote nominally at \$2@\$2 50 for Common, and \$3@\$4 \$ TIMBER-Has been in meagre demand for nil purposes, and the market has rul d d il for the week-several rafts being on mark t unsold We quote sales of 10@12 rafts at \$5 for inferior, \$6@\$7 or ordinary, \$7 75@\$8 for fair, \$9 for prime, and \$11 50 W M. for extra mill. Wood-Is in rather b tter request, and sells by he boat load at \$3@\$3 50 for pine and ash, \$3 50

@\$4 for oak, and \$4@\$4 50 \$2 cord for lightwood FTEIGHTS .- No change to make on former figures. Very few vessels in port, and only about a sufficient quantity of produce offering to supply them. See table for last rates paid.
